Newsletter 3 February

2023 v1

Spreading sugar over the Sports ground - January 2023 Photo by Jim Maynard

## Welcome to our February Newsletter.

"Winter is the king of showmen, Turning tree stumps into snow men, houses into birthday cakes, and spreading sugar over lakes. Smooth and clean and frosty white, The world looks good enough to bite. That's the season to be young, Catching snow flakes on your tongue."

So instead of snowflakes enjoy a Saturday morning in the warmth of the clubhouse. Grab a coffee, a bacon roll and enjoy the comfort of the snug. The TV will be on Golf, cricket and that ball that old folk kick about.

430 members joined our Club in January. If you missed the January deadline, dont fret, at £17 per year (thats 33 pence a week) its still a bargain.

Speakers corner kicks off this month in North India where it is currently minus 19c. A land now closed to the outside world until late March.

Our ongoing contributions to charities continues. The Quiz night organised by Sandra and Totty (another full house) last month raised £164 for Cancer Research. Thank you to all that attended.

This month sees our first Open mic and Karaoke evenings. There is Bingo, Conservation meetings and of course knit and natter with Anna. There is something for everyone.

And in the "season to be young" what better way to keep fit than to join the Bootcamp men and women (£5 an hour) the laughs and pain are free.....the bar afterwards isn't.

We are at the heart of this beautiful village, at the heart of our community, so join us.

"An evening of tales. In Kathmandu, to my shame I uttered the immortal words "there must be a carnival, have we missed it". We had arrived in the middle of an earthquake. Army lockdowns in Jammu, dead bodies in the Ganges. Man made Ice Stupas in Ladakh. This is a unique opportunity to venture into this vast region with its remarkable history and people.
